Dear Pop," I wish with all my heart that I could be with you next year and help to get some of those big Bruins on their well known "you know what" to let you do my part for me, of you guys don't win district next year I'm personally going to kick you wherever I'm all I ask is that you don't do the most good. You all can't it if some of them stop playing for themselves and don't play for H.H. Of all I ask is that you hit one of them just once real hard for me. Maybe you can take you for a "gap" or something. Anyway, head's wishing you the best of luck to make your senior year a big success. Always remember a good friend & friend

Dear "Ragnar"
Beautiful Love
I wish it to a good
foot ball player.
Cool stuff

Dear "little Pop",
Here's wishing you

helping you have
the best of luck.
throughout the year.
You deserve it.
Love, [unclear]

Mr. —
I wish I could help
you out there guys on their
— next fall, but you don't
need help. You have been
one of the best guys — guy
could want to know. But
wishes and all of the best
good luck — [unclear]

EL ARROYO

"M & Ywire" — May 5, 1943

Just a few lines to be
sure you remember me. You
should have one devil of a
swell year cut out for you next
year, and with very little effort
you'll get it. Be sure and
play hard next year, 'cause there's
quite a few of us seniors expecting
big things from you — don't let us
down! Oh yeah — one other thing —
take heed to any advice your
"Pop" gives you, 'cause he's been
through all of life's mills and should
know "from where he talks".

Your friend,

Ross
Johnson

BEST ALL AROUND BOY

Dear D. M.,

We've known each other a long time and I certainly have enjoyed our friendship!

I can recall back many memories that I wouldn't take anything for!

D. M., stay in there and work and you'll go to the top. You've got everything it takes to stay in there!

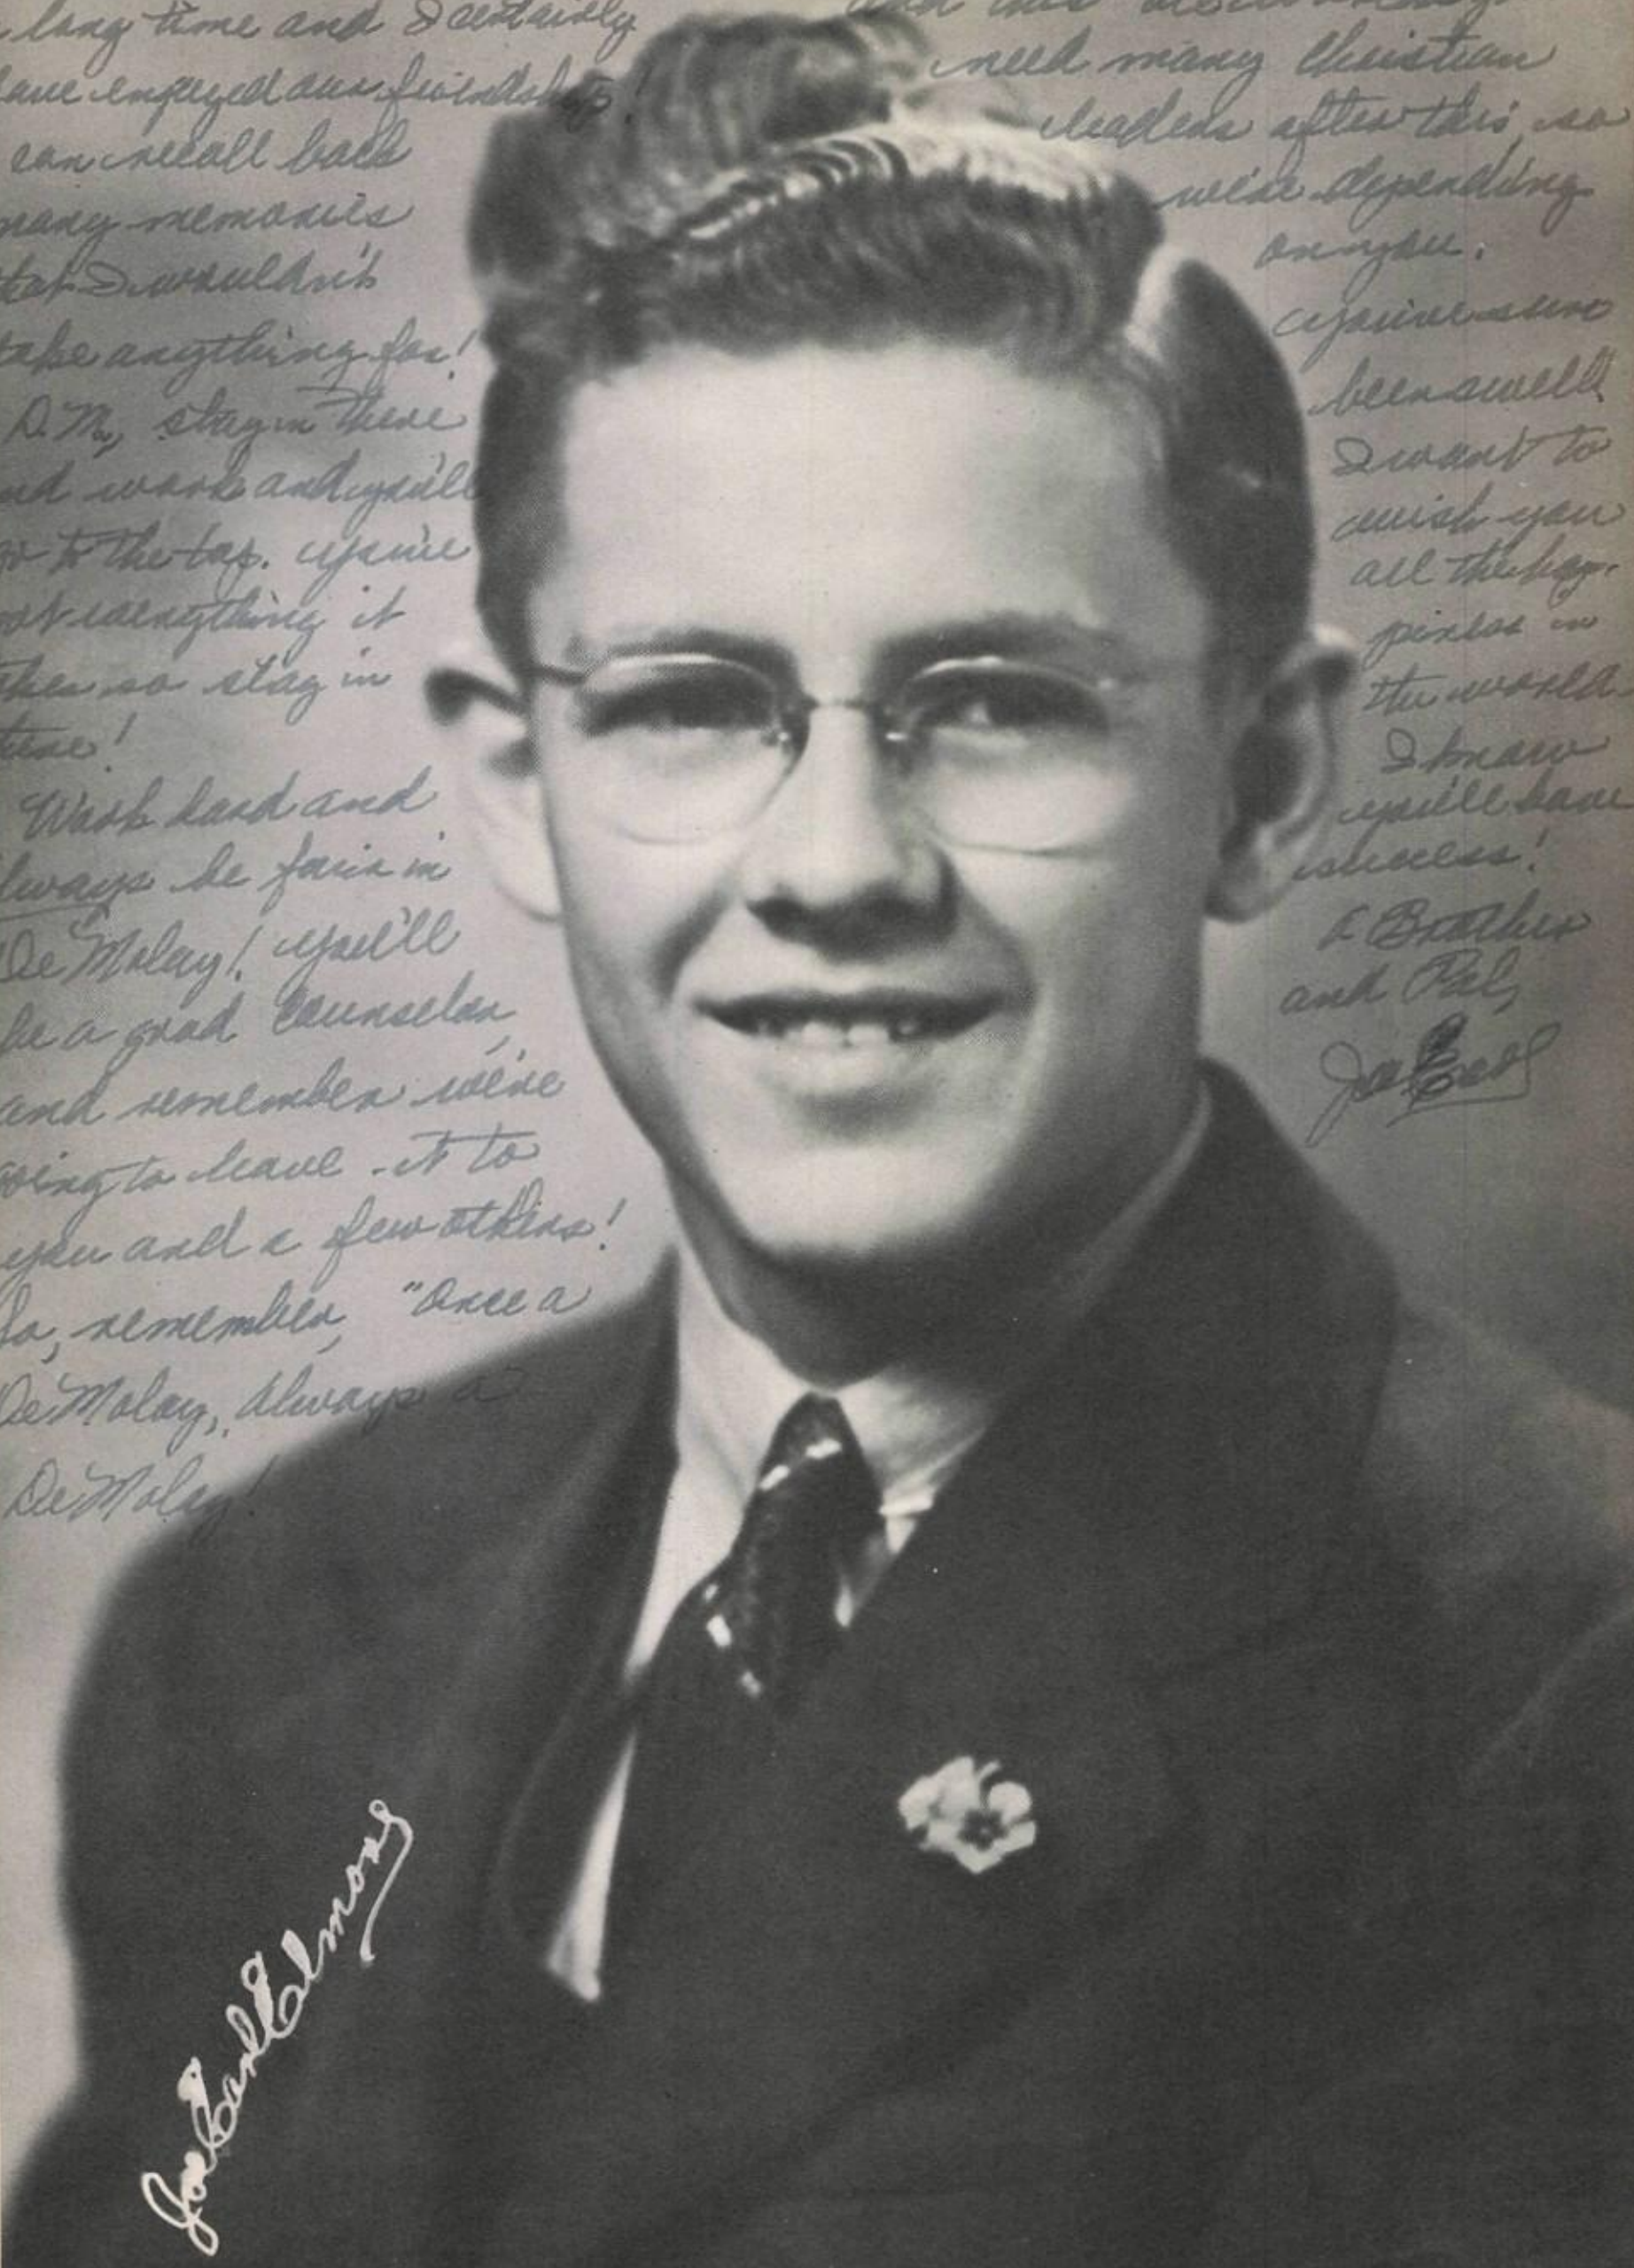

Work hard and always be fair in De Malay! You'll be a grad. Counselor and remember we're going to leave it to you and a few others! So, remember, "Once a De Malay, always a De Malay!"

Joe Ballalmon

Baptist, you stay in there, too. It's a wonderful organization and this 'ole world is gonna need many Christian leaders after this so we're depending on you.

Again we've been swell! I want to wish you all the happiness in the world. I know you'll have success!

A Brother and Pal,

THE BOY GRADUATES

The sweet girl graduates are sweet, as sweet as they can be,
But this year the boy graduates somehow appeal to me.
For this year the boy graduates, when their school work is by,
Will camp beneath Old Glory's folds, outlined against the sky.
This year our boys leave their schools in the city and in town,
And will go marching far away, all clothed in khaki brown.
They who but yesterday were boys, today are clear-eyed men,
And they will march away to war -- God bring them home again!

God bring them home to us again when warring days are by!
Our hearts are where they fight for peace, and where our wounded lie,
Our hearts are with the Stars and Stripes where'er they fly today,
Our hearts are with the graduates who smile and march away!
There is a look we never saw in their young eyes 'til now;
A shining something in each face and on each boyish brow.
As if they could see what we cannot, and now the bugle plays,
And now they march from boyhood's ways and from glad yesterdays.

The sweet girl graduates are sweet, and they are by our side,
But our boy graduates are gone; and oh, the world is wide!
And oh, the world is lonesome since they cheered and marched away.
The little lads we knew so well on yesterday, we know
That if it be on sea or land, that they shall meet the foe,
They'll be what we know them to be, steel-true, our fighting men.
God be with our boy graduates and bring them home again.

Dear D. M.,

It has been fun knowing you and
thanks for getting me out of trouble at
dances of course you wouldn't know. (But
thanks anyway) I sure hope I get to
know you better next year. So here's
wishing the best of luck to a swell guy.

Lavanie

Dear D.M.
 Will suit! It
 doesn't seem possible that
 you graduated, and that you soon
 will be — but through all the
 years I have known you I know I
 will never regret any moment. I
 know you will succeed in anything
 you do — you've got a lot of
 what it takes and lots more.
 Best of luck to you — for
 you're just grand and I'll always follow
 the headlines you make!
 Love
 Barbara

Best of luck to you
your just grand old I'll always for
the headlines you make!

I have been thinking of you
 and wondering how you are
 getting on. I hope you are
 well and happy. I have been
 very busy lately, but I
 have managed to find some
 time to write to you. I
 hope you will find this
 letter interesting. I have
 been thinking of you very
 much lately. I hope you
 are well and happy. I
 have been very busy lately,
 but I have managed to find
 some time to write to you.

Dear Sir,
I hope you are
